On behalf of the entire editorial team, we extend our sincere appreciation to the experts who dedicated their valuable time and professional insight to the peer review of manuscripts for the journal *Green Energy and Sustainability* (GES, ISSN 2771-1641).

Rigorous peer review is essential to maintaining the scientific rigor we strive for, and is fundamental to advancing scientific discourse. The thoughtful critiques and constructive suggestions provided by our reviewers have been pivotal in enhancing the quality and impact of the articles published in the journal. We are deeply grateful for the dedication of the following reviewers for their continued support and contribution.

Note: This list reflects reviews received between December 22, 2024 and December 6, 2025; names listed in alphabetical order.
